

CORRIGENDUM

RE: SAFETY NETTING CONCEPT IN PRIMARY CARE CONSULTATION

Following publication of the above article, it was brought to the notice of the editor-in-chief that one of the resource materials used for this narrative article was omitted. The article is by Jones *et al.*: “Jones D, Dunn L, Watt I, Macleod U. Safety netting for primary care: evidence from literature review. *Br J Gen Pract* 2019;70-79 DOI: <https://doi.org/10.3399/bjgp18X700193>”.

It will now be referred as reference 7 in the already published article by Ayodapo *et al.* in: **Safety netting concept in primary care consultation** *Ann Ibd. Pg. Med* 2023. Vol.21, No.2 24-29

The following lines below on pages 26 and 27 of the published article should have **reference number 7, added as superscript at the end of the sentences.**
